Arizona State University  
Employee/Independent Contractor Determination Checklist

NOTE: This form must be completed by the department and reviewed and approved by the Tax Services unit of Financial Services before making a commitment to an individual to be paid as an independent contractor.

This two-page checklist must be completed to provide information to Tax Services that will be used to determine if an employer/employee relationship exists for federal, state and FICA tax purposes. The questions below will provide information as to the degree of control and independence in the relationship between the individual performing services and ASU. Additional information may be requested, as necessary. Final determination is made by Tax Services and is based on consideration of all the known facts.

Sections 1 and 2 may be completed by the requesting department or the individual performing the service. Section 3 must be fully completed by the department. Section 4 must be signed by the individual performing the service. Signatures are required prior to submitting the form to Tax Services. Incomplete forms will be returned to the originating department.
